Officers. The presiding officer of the Senate is the President of the Senate. A President pro tempore, usually a high-ranking member of the majority party, acts as President in case of the temporary disability of the President. In case of the death, resignation, or permanent disability of the President or in the event of the succession of the President to the executive power, the President pro ...

Although the evidence is still limited, studies have suggested that EVs may move from the brain to the systemic circulation. Earlier studies suggested that EVs may cross multiple layers of the blood-brain barrier (BBB) (Alvarez-Erviti et al., 2011, Matsumoto et al., 2017, Shi et al., 2014), possibly by moving from cell to cell via the MVB compartment and endocytosis (Record et al., 2011).
