Among The Danes

The Danes were a North Germanic tribe inhabiting southern Scandinavia, including the area now comprising Denmark proper, and the Scanian provinces of modern southern Sweden, during the Nordic Iron Age and the Viking Age. They founded what became the Kingdom of Denmark. The name of their realm is believed to mean "Danish March", viz. "the march of the Danes" in Old Low German, referring to their ...

I love the creativity among the Danes and Danish-Americans here in the US. Today I received this little video from Dan, Neil and Reid Peterson. They made it for our map at Danskere.us. Others have asked if they could add a video instead of a photo to our map. YES please. If you like you can add a video of yourself instead of a photo.

Constructing Immigrant Identities in Consumption ...

In relation to Danish fashion, this idea of anti-individualism can be seen in the trend of cultural conformity to a similar style of dressing. Due to an equality of income, most Danish citizens can afford the same clothes as everyone else, thus trends easily emerge among a large group of Danes, which can easily spread in such a small country.

Amongst the Danes | My year abroad in Copenhagen, Denmark

Among younger Danes, Copenhageners are worse at understanding Swedish than Danes from the provinces, and in general, younger Danes are not as good at understanding the neighboring languages as are Norwegian and Swedish youths. History. The Danish philologist Johannes ...
