6) Use Your Rest Periods: My friend and fellow T-Nation contributor Tim Henriques sent in this tip. Tim remembered a time in his training career when he used to get teased for taking too long between sets. "People used to tease me that my workouts were too easy because I was resting too long in between sets and not dripping with sweat and out of breath every workout when I first started training.

By Foster Gamble. People are often asking us at Thrive, "Where do you get your news? And how do you sort out what's true?" Following is a commentary on political tribalism vs. ethics and critical thinking, and at the end of this blog is a partial list of the many sources that we continually review.. I spend about 40 hours a week researching the current state of the world, both the ...
