While blind trusts may be of benefit to a select few, they are not ideal for the majority. Blind trusts put all control into the hands of a trustee, who will make all the decisions regarding the trust. Some blind trusts are irrevocable and in most cases, you'll have to pay the trustee compensation.

### **Cons of a Blind Trust | Pocketsense**

Options Outside the Blind Trust. Some have simplified their investments by selling out of specific company investments in favor of broad index funds and bonds. This also goes for private holdings of property and businesses. By simplifying or converting all holdings to cash, a politician hopes to remove any suggestion of favor towards a business,...
