Confessions Of A Technical Writer

One of Charlie Kaufman's more overlooked and underrated screenplays, 'Confessions of a Dangerous Mind' may have been something of a departure from the high-concept experimentalism that made his previous brainchildren, 'Being John Malkovich' and 'Adaptation' (a masterpiece and a near-masterpiece, respectively) such striking breaths of fresh air, but on no account should its ability to engage ...

At school, I loved maths/science and hated English. My writing was bad. I felt stupid because all the other kids used long words. Then a few years ago, a good friend of mine, who is a confidence coach, simply told me I was much better understood by others because I used plain and simple words.... none of these pompous long words.
