

Design Interview Questions

Design Interview Questions

System design interview questions can be quite open-ended, which is why many people are afraid of this kind of interview. Although working experience plays an important role in system design interviews, it doesn't mean that nothing you can prepare for.

System Design Interview Questions - Gainlo Mock Interview Blog

Every designer should have a detailed answer prepared for this. A good designer won't just jump in and start designing. Great designers begin by trying to understand the problem they're being asked to solve. Depending on the project, they might interview users or look through data to determine the best course of action.
