Possessive determiners constitute a sub-class of determiners which modify a noun by attributing possession (or other sense of belonging) to someone or something. They are also known as possessive adjectives, although the latter term is sometimes used with a wider meaning.. Examples in English include possessive forms of the personal pronouns, namely: my, your, his, her, its, our and their, but ...

A possessive form (abbreviated POSS) is a word or grammatical construction used to indicate a relationship of possession in a broad sense. This can include strict ownership, or a number of other types of relation to a greater or lesser degree analogous to it.. Most European languages feature possessive forms associated with personal pronouns, like the English my, mine, your, yours, his and so on.
