However, the Trekkie phenomenon did not come to the attention of the general public until after the show was cancelled in 1969 and reruns entered syndication. The first widely publicized fan convention occurred in January 1972 at the Statler Hilton Hotel in New York, featuring Roddenberry, Isaac Asimov, and two tons of NASA memorabilia. The organizers expected 500 attendees at the "First ...

Pain: Understanding the Basics . Scientists have divided pain into two basic classes: Neuropathic and Nociceptive.. While most pain can be classified as one or the other, some conditions also include a mixture of both kinds of pain, such as sciatica. Let's take a closer look at each type of pain, the associated conditions, and current treatment models.

Green marketing is the marketing of products that are presumed to be environmentally safe. It incorporates a broad range of activities, including product modification, changes to the production process, sustainable packaging, as well as modifying advertising. Yet defining green marketing is not a simple task where several meanings intersect and contradict each other; an example of this will be ...
