We accept every challenge. Since becoming a part of the big Ducati family, there has been no year-end that hasn't moved me when I think about the main events characterising it. And 2018 is no exception... I recall the incredible success of the tenth edition of World Ducati Week, with record attendance of more than 91,000 at the Misano circuit, not to mention the Race of Champions starring the ...

The WOT Box makes no-lift shifting easy by cutting your engine's ignition for a very short period while you no-lift shift. No-lift shifting is keeping the gas down through the shift. The ignition cut allows the synchros in your transmission to mesh easily, reducing the chance of missing a gear and damaging your transmission.

Erik Christiansen (R) and I unveil the coveted 1650 RACE sterndrive. I just got back from the Miami Boat Show where, in addition to our unveiling of the awesome 1650 RACE sterndrive, we debuted the all-new Pro Max outboard propeller. Some of you may be familiar with the high performance 150/200/225 h.p. Pro Max outboards we produced back in the mid 1990s.
