### **What is Day trading and How to start day trading in India ...**

Like most traders, I was obsessed with day trading at the start of my career, it's what I studied, it's how I traded, it was how I lived. However, I quickly discovered that something was wrong. I just couldn't seem to make any money trading this way. It was stressful, time-consuming, difficult and even maddening at times. I would make money on a trade and then give it right back.
