

How To Draw A Football

How To Draw A Football

Draw the football's shape (like a sideways egg) either with rounded or pointed ends. The illustration here shows a rounded one, but footballs in real life tend to end in points. Draw two slightly curved lines near the middle. They should be mirror images of one another, as shown. Draw two rectangles near both edges.

How to Draw a Football: 13 Steps (with Pictures) - wikiHow

Learn how to draw a Football in less than 2 minutes. Use our simple and step by step drawing video tutorial for free! Drawing video lesson for kids.

How to Draw a Football - Drawing for Kids | Mocomi

How to Draw a Football: In this instructable, I'm going to teach you how to draw a football. It might be difficult if you don't know the trick to draw it but once you get it it will be a piece of cake. What You Need • A Piece of Paper • A Pencil • A Eraser (if needed)

How to Draw a Football: 7 Steps - instructables.com

Step 2. Next, make two horizontal lines at each end of the football. These are the painted white lines on every football. Next, draw a straight diagonal line down the center of the football, and move along to the last drawing step.

How to Draw a Football for Kids, Step by Step, Sports, Pop ...

1. Begin by drawing an irregular shape, like a rounded rectangle with a bulge on each side. This outlines the opening in the football player's helmet. Draw a curved line from one side of the opening to the other, parallel to the top of the opening; use another curved line to do the same on the bottom of the opening.

How to Draw a Football Player - Really Easy Drawing Tutorial

First Step - Draw a Framework for Your Football. With a circle sketched out first, developing the oval symmetry on either side, will be all the more easy to do. My framework... A simple cross, extended beyond either left and right side of the circle - help to mark off the end points of the curved lines. The green mark positions the grips ...

How to Draw a Football - How to Draw Cartoons

Step 1: Draw the football player's helmet by first drawing a short, sloping line. On the left side, continue to draw the line up and curve it to the right. This top part of the helmet should be similar to a half-circle. Continue to draw the line downward past the front of the helmet.
