

Journal Of General Virology Volume 71 Pp 1 749 January

Journal Of General Virology Volume

The Annual Review of Virology communicates exciting advances in our understanding of viruses of animals, plants, bacteria, archaea, fungi, and protozoa. Reviews highlight new ideas and directions in basic virology, viral disease mechanisms, virus-host interactions, and cellular and immune responses to virus infection, and reinforce the position of viruses as uniquely powerful probes of ...

The history of virology — the scientific study of viruses and the infections they cause - began in the closing years of the 19th century. Although Louis Pasteur and Edward Jenner developed the first vaccines to protect against viral infections, they did not know that viruses existed. The first evidence of the existence of viruses came from experiments with filters that had pores small ...

Study Design. The hard surface carrier test method utilized in this study was based on the ASTM E1053-11 standard test method suitable for assessing virucidal activity on non-porous surfaces [ASTM International, 2011]. This standard meets the Environmental Protection Agency (EPA) efficacy data requirements for virucides which are in turn referenced by the FDA guidance for 510(k) submissions ...

The Japanese Journal of Ophthalmology (JJO) was inaugurated in 1957 as a quarterly journal published in English by the Ophthalmology Department of the University of Tokyo, with the aim of disseminating the achievements of Japanese ophthalmologists worldwide. JJO remains the only Japanese ophthalmology journal published in English. In 1997, the Japanese Ophthalmological Society assumed the ...
