The best things in life are free!. I'm a big fan of online paid maths websites such as Ten Marks, Maths Whizz and The Maths Factor, they offer well structured maths materials with great parent feedback. However, there are some great free maths resources out there, that provide a respectable alternative to paid maths websites, for those of you who are willing to mix and match, or who don't ...

That's a great idea to be specific about which homework questions you've helped your child with! Yes the BBC Schools website is a good free resource. I really like their material for Secondary students, BBC GCSE Bitesize as it's also useful for parents who want to brush up on the topics and concepts that their children are studying. Is there an American equivalent that anyone knows about?
