Marshall who? Biography. McLuhan was still a twenty-year old undergraduate at the University of Manitoba, in western Canada, in the dirty thirties, when he wrote in his diary that he would never become an academic.

Who was Marshall McLuhan? - The Estate of Marshall McLuhan

McLuhan was a fixture in media discourse from the late 1960s to his death and he continues to be an influential and controversial figure. Years after his death he was named the "patron saint" of *Wired* magazine. Marshall McLuhan was born in 1911 in Edmonton, Alberta, to Herbert Ernest McLuhan and the ...

Marshall McLuhan - New World Encyclopedia

"The medium is the message" is a phrase coined by Marshall McLuhan introduced in McLuhan's book *Understanding Media: The Extensions of Man*, published in 1964. It means that the nature of a medium (the channel through which a message is transmitted) is more important than the meaning or content of the message.

The medium is the message - Wikipedia

Herbert Marshall McLuhan (21 juillet 1911 - 31 décembre 1980) est un intellectuel canadien.
