What isn't mentioned is that Paul made his own crude large particle colloidal silver and drank at least a pint and up to quart a day for years! The normal dosage is a teaspoonful one to three times daily, depending on the severity of infection.. Another disinformation meme is that the silver accumulates in the kidneys and creates a toxic situation.

Colloidal Silver Benefits: The Truth About Colloidal Silver

When I've got a toothache I always floss and brush my teeth, then swish water with about 1 tsp of bicarbonate of soda per cup around in the mouth for a few minutes and then keep it at the painful spot for as long as I can, then swallow it.

Solutions and Mixtures Before we dive into solutions, let's separate solutions from other types of mixtures. Solutions are groups of molecules that are mixed and evenly distributed in a system.

Scientists say that solutions are homogenous systems. Everything in a solution is evenly spread out and thoroughly mixed.

The aim of this study was to evaluate the oenological potential of natural extracts from winery and cooperage by-products, either alone or with a colloidal silver complex (CSC), on the quality of red wines, as possible substitutes to SO₂. Natural extracts were obtained from grape seeds and American oak wood by accelerated extraction with subcritical water.

Oenological potential of extracts from winery and ...

The statements highlighted in red below are from an internet ad for Ionic Plus, an ionic silver solution produced by Indigenous Products. Ionic Plus is a powerful, all natural antibiotic liquid mineral supplement and prophylactic with a trillion electromagnetically charged silver particles of ions compared to a billion electromagnetically charged particles in colloidal silver.

While there's no argument that colloidal silver is the world's most powerful natural antibacterial and antifungal agent, the ability of colloidal silver to protect against viral pathogens has, until recently, not been fully embraced by the medical community.. Fortunately, startling new medical research reveals that silver may well be your #1 defense against viruses as well.

Colloidal Silver Kills Viruses
