Polar Bear Night is about a little polar bear who wakes up from her slumber and takes a walk outside her den. As she walks, she passes many animals that are sleeping. Soon, she stops and watches the stars as they shoot across the night sky. This eventually lulls her back to sleep. I really liked this book.

Polar Bear Night

Polar Bear Night meets that challenge. Polar Bear Night embraces darkness and silence. The stylized simplicity of Savage's illustrations reflects both the solace of night and the fellowship of nature. Polar Bear Night celebrates these valuable gifts and offers us yet one more, embodied in its final word: "home." New York Times
