High School Art lessons - Incredible Art Department

Over the past fifty years, many visual artists have taken up the process and methods of academic research as an impetus for works of art. Through readings, discussions, case studies, and studio projects, students in this class will engage the immediate context of the University as source material for their artworks, and as a means of exploring the effect that research and knowledge production ...

Education | Arts Council of Princeton

Art majors basically live in studios where they paint, sculpt, design, draw, and illustrate their commentaries about the world in which we live. An Art major's curriculum depends largely on the artist's medium, although certain core Art classes in drawing, art history, and design are usually required for all concentrations.
