### **Religion And The Rise Of**

The first task is to define the word "fundamentalism". The term is commonly used in newspapers, television newscasts, backyard arguments, and above all in churches, both in negative and positive ways. The word means different things to different persons. I suggest that it is best to distinguish ...

Christianity is today the world's largest religion, representing at least a quarter of the world's population. It is also the primary inspiration behind the second largest religion of the world, Islam. Christianity began as a tiny sect of Judaism during the life of Jesus, but in just 4 centuries it had become the dominant religion of the entire Mediterranean World.

France has seen a spate of attacks against Catholic churches since the start of the year, vandalism that has included arson and desecration. Vandals have smashed statues, knocked down tabernacles, scattered or destroyed the Eucharist and torn down crosses, sparking fears of a rise in anti-Catholic sentiment in the country.

With the Edict of Thessalonica in 380 AD, Emperor Theodosius I made Nicene Christianity the Empire's state religion. The Eastern Orthodox Church, Oriental Orthodoxy, and the Catholic Church each stand in that continuity.. Earlier in the 4th century, following the Diocletianic Persecution of 303-313 and the Donatist controversy that arose in consequence, Constantine had convened councils of ...

Religiously unaffiliated people have been growing as a share of all Americans for some time. Pew Research Center's massive 2014 Religious Landscape Study makes clear just how quickly this is happening, and also shows that the trend is occurring within a variety of demographic groups - across genders, generations and racial and ethnic groups, to name a few.

Islam began in Arabia and was revealed to humanity by the Prophet Muhammad. Those who follow Islam are called Muslims. Muslims believe that there is only one God.

### **BBC - Religion: Islam**

One way to define a major religion is by the number of current adherents. The population numbers by religion are computed by a combination of census reports and population surveys (in countries where religion data is not collected in census, for example the United States or France), but results can vary widely depending on the way questions are phrased, the definitions of religion used and the ...
