TRAINING - Institute for Solution-Focused Therapy

Solution-focused (brief) therapy (SFBT) is a goal-directed collaborative approach to psychotherapeutic change that is conducted through direct observation of clients' responses to a series of precisely constructed questions. Based upon social constructionist thinking and Wittgensteinian philosophy, SFBT focuses on addressing what clients want to achieve without exploring the history and ...

BRIEF is unique We do what we teach and we teach what we do. We are the world's leading centre for solution focused practice in therapy and counselling as well as in coaching, leadership, team building and conflict resolution.

BRIEF - Home

Building on a strengths perspective and using a time-limited approach, solution-focused brief therapy is a treatment model in social work practice that holds a person accountable for solutions rather than responsible for problems. Solution-focused brief therapy deliberately utilizes the language and symbols of "solution and strengths" in treatment and postulates that positive and long ...
