When it comes to watching great films, duration frankly should not matter. A great movie is great no matter its length. But let's face it, busy schedules these days can keep us from tackling epics. As our attention spans get ever shorter, an 85-minute runtime might look at a whole lot sweeter than ...

Overview. After Baatin's departure from Slum Village, there was a lot of pressure upon the group to deliver a solid follow up to their previous album, Trinity. The first single from Detroit Deli was "Selfish", produced by and featuring Kanye West, with John Legend providing vocals during the chorus. The song was a moderate hit and the group's highest charting single, partly as a result of Kanye ...

White bread typically refers to breads made from wheat flour from which the bran and the germ

layers have been removed (and set aside) from the whole wheatberry as part of the flour grinding or milling process, producing a light-colored flour. This milling process can give white flour a longer shelf life by removing the natural oils from the whole grain. . Removing the oil allows products made ...

This is the planet we still know so little. We call it Earth but less than 1/3 is land, over 2/3 is water and we use that water as a dumping site for our waste and as if it's an inexhaustible "horn of plenty" for humans. Our most important ecosystem is on the verge of collapse unless we act now. At ...
