It's not wise to make any huge purchases or move your money around three to six months before buying a new home. You don't want to take any big chances with your credit profile.

### **10 Best-Kept Secrets for Buying a Home | HGTV**

The Russian emperors often resorted to cruel tortures to shore up their power. Ivan the Terrible was known for roasting his enemies alive in a giant skillet, which he had made specially. This apparently started a trend since some Cossacks complained in 1640 that a provincial official had been roasting them in huge pans as well as "pulling out their veins."
