In May 2004, about 20 British troops were on the move 15 miles south of al-Amara, near the major city of Basra in Iraq. They were on the way to assist another unit that was under fire when their convoy was hit by a surprise of its own. Shia militias averaged five attacks per day in Basra when the U....

The history of the British Army spans over three and a half centuries since its founding in 1660 and involves numerous European wars, colonial wars and world wars. From the late 17th century until the mid-20th century, the United Kingdom was the greatest economic and imperial power in the world, and although this dominance was principally achieved through the strength of the Royal Navy (RN ...

Thousands have been killed, tens of thousands injured and up to 2.5 million displaced, according to some reports. While most of those embedded personnel are in easily identifiable locations – such as in the US, Canada, NATO and the EU member states – nearly 100 personnel are assigned to cryptically titled ‘Coalition HQs’. Responding to the revelations that 94 members of the UK armed ...

The men you see in front of Buckingham Palace (and other locations in London as well as Windsor) are the Queen's Guard (Foot Guards). As well as upholding the traditions of the past through their ceremonial duties, the Foot Guards also carry out operational duties in the UK and throughout the world as professional soldiers.

In 1969, Great Britain, Guatemala and Belize made renewed attempts at negotiations after the rejection of the Webster report. This time the main emphasis was placed on possible arrangements for economic co-operation between an independent Belize and Guatemala.

### **Belize-Guatemala Territorial Issue - Chapter 8**

August of 1814 was one of the hottest in the memory of the approximately 8,000 residents of America's new capital. The sweltering, humid heat turned the stagnate marshes surrounding the city into thriving hatching grounds for disease-carrying mosquitoes. To make matters worse, the city found itself the target of an invading British army slowly making its way from the Chesapeake Bay.
