### **The Essential Collection Mendelssohn Gold**

Felix Mendelssohn is one of the most renowned composers of the 19th century; his works are performed all over the world and their is no doubt about their firm place in the standard repertoire. The works of his prodigious sister, however, are far less familiar to even the most enthusiastic classical music fans. The eldest child in the family, Fanny Mendelssohn was also a brilliant musician and ...

It would be foolish and ignorant to ignore Digital's superiority to Analog in a number of sonic parameters: Precision, outer detail, speed stability, noise and overall purity. Unfortunately, it also subtracts those aspects of the sound which are the vital essence of music; the conveyor of individuality and emotions. That is why Digital, at present, is more intellectually than emotionally ...

The excellence and prestige of the Philips Great Pianists of the 20th Century series demanded a successor, and logically this is it, since so many superstar performers of the last century were conductors who collectively shaped the course of classical music. Any serious attempt to compile a project of such daunting scope demands instant respect and attention.
