Something may seriously be wrong with House Minority Leader Nancy Pelosi. While making a 'surprise' appearance at the NGLCC's National Dinner Awards Gala, the Democrat Speaker-to-be suffered multiple face spasms and slurred her words during a brief 10-minute speech. 'The American people elected a Democratic majority,' Pelosi said, awkwardly motioning to the crowd for applause.

My Fellow Citizens: —On yesterday evening, upon the occasion of the reception given to Senator Douglas, I was furnished with a seat very convenient for hearing him, and was otherwise very courteously treated by him and his friends, and for which I thank him and them. During the course of his remarks my name was mentioned in such a way, as I suppose renders it at least not improper that I ...

I speak to you as an American Jew. As Americans we share the profound concern of millions of people about the shame and disgrace of inequality and injustice which make a mockery of the great American idea.. As Jews we bring to this great demonstration, in which thousands of us proudly participate, a two-fold experience -- one of the spirit and one of our history.
