Description. The name derives from a 15th-century English morality play called Everyman.. The contemporary everyman differs from his (or her) medieval counterpart in many respects. While the medieval everyman was devoid of definite marks of individuality in order to create a universality in the moral message of the play, the contemporary storyteller may use an everyman for amoral, immoral, or ...

Nihilism (/ ˈ n aɪ (h) ɪ l ɪ z ə m, ˈ n iː-; from Latin nihil, meaning 'nothing') is the philosophical viewpoint that suggests the denial or lack of belief toward the reputedly meaningful aspects of life. Most commonly, nihilism is presented in the form of existential nihilism, which argues that life is without objective meaning, purpose, or intrinsic value.

BOOK I MORAL GOODNESS {1} I. My dear son Marcus, you have now been studying a full year under Cratippus, and that too in Athens, and you should be fully equipped with the practical precepts and the principles of philosophy; so much at least one might expect from the pre-eminence not only of your teacher but also of the city; the former is able to enrich you with learning, the latter to supply ...

Fred was one of the bravest and most decent journalists I ever encountered. He exposed the terrorism of the U.S. "carpet bombing" over Laos, Vietnam and Cambodia that was explicitly aimed at "drying up the sea" of millions of innocent village people that the U.S. government claimed were providing cover to the enemy during the Vietnam War.

The evangelical impulse at the heart of the Second Great Awakening shared some of the egalitarian thrust of Revolutionary ideals. Evangelical churches generally had a populist orientation that favored ordinary people over elites. For instance, individual piety was seen as more important for salvation than the formal university training required for ministers in traditional Christian churches.

At the commencement of this chapter we considered that which we may call the body of the factory, i.e., machinery organised into a system. We there saw how machinery, by annexing the labour of women and children, augments the number of human beings who form the material for capitalistic exploitation, how it confiscates the whole of the workman's disposable time, by immoderate extension of ...
