Hence, the success of any decision depends on the conceptual skill of the people who make the decision and those who put it into action. When, for example, an important change in marketing policy ...

### **Skills of an Effective Administrator - Harvard Business Review**

A portable circular saw is the tool to use when you need to shorten a door to fit an existing opening or to accommodate a new layer of thick carpeting. But, even the newest, sharpest blade will tend to splinter the top surface, especially if it's a veneered door. To eliminate the splintering, first apply a strip of 2-inch-wide masking tape across the door.
