### **Thomas Edison Bibliography**

Thomas Edison was born, in 1847, in Milan, Ohio, and grew up in Port Huron, Michigan. He was the seventh and last child of Samuel Ogden Edison Jr. (1804–1896, born in Marshalltown, Nova Scotia) and Nancy Matthews Elliott (1810–1871, born in Chenango County, New York). His father, the son of a Loyalist refugee, had moved as a boy with the family from Nova Scotia, settling in southwestern ...

Easier - Inventors are persons who think of, create, or make something that is new. Harder - To invent something means to create a new device, come up with a new process, or to make a new product. Invention is closely related to, but different than discovery. A discovery is the first recognition of something that already existed in nature.
