Feminist theory is the extension of feminism into theoretical, fictional, or philosophical discourse. It aims to understand the nature of gender inequality. It examines women's and men's social roles, experiences, interests, chores, and feminist politics in a variety of fields, such as anthropology and sociology, communication, media studies, psychoanalysis, home economics, literature ...

0 notes. October 10, 2018 Cigarettes: the pollution of modern-day society? By Inge Rots. Many will recognize the anecdote or at least a variant of it, in which people would tell about how back in their younger days, no one would be surprised if, on a party, the host would offer its guests plenty of cigarettes, in the same amount as there would be snacks or beer.

I summarized a lot of major problems in Australia in a previous article, and now some deep issues which are inherent to New Zealand need to be addressed.. As a native Kiwi (New Zealander), we tend to be inundated with a bit too much Joe Pesci syndrome (little guy who likes to beat up on the big guy) and always want to poke fun at Australia, our larger neighbor across the Tasman Sea.

I've previously written about how the very concept of beauty in the Western world is being attacked. Coordinated efforts are being made to re-define beauty to accommodate the growing heft of strong, independent American women. These efforts are succeeding, because there are many fat women who are actually proud of their fat, with no immediate plan to lose the weight.

Introduction 1. From Athens to Rome. The imperium Romanum. . . this most admirable work of art in the grand style was a beginning; its construction was designed to prove itself through thousands of years: until today nobody has built again like this, nobody has dreamed of building in such proportions sub specie aeterni. This organization was firm enough to withstand bad emperors: the accident ...
