After 40 days in the Kindle Unlimited program, and after going through my first royalty statement that includes KU pagereads, I have a few observations. First, a little background for the uninitiated: Over a year ago, Amazon launched an ebook subscription service known as Kindle Unlimited. For \$9.95 a month, readers could enjoy unlimited access to over a [...]

My book, Encyclopedia of Chart Patterns is to human anatomy as Chart Patterns: After the Buy is to human behavior. Chart Patterns: After the Buy shows how a stock acts after a chart pattern appears, so we can use that knowledge before buying to boost the odds of trading success. It covers chart patterns, but from a different perspective than all of my other books.

Understanding this point is important because it keeps you humble. You can consider yourself a person of high standards in general and still have debilitating blind spots. There can be whole arenas of endeavor where you may not even know that your standards are low or non-existent, and certainly not world class. It's critical to be open to that likelihood.
