List of Major Utopian Movements in American History. The idea of a perfect society intertwined with communalism can be traced back to Plato's Republic, the book of Acts in the New Testament, and the works of Sir Thomas More. The years 1820 to 1860 saw the heyday of this movement with the creation of numerous communities. Following is a look at the five major Utopian communities that were created.

Major Utopian Movements in American History - ThoughtCo

Full Answer. Other utopian societies that existed in the 19th century included the Oneida Community in upstate New York; the Shaker Movement, which existed in several states, including Kentucky and Indiana; and Brook Farm, a utopian community located in Massachusetts. Brook Farm residents helped to promote women's rights, labor rights and abolition.

Utopian Communities that Failed to Survive. Once the times changed, however, the appeal of Utopian communities waned. The desire to flee a complicated world may still be a prime motive for those seeking simplicity and security. If the precedents of history remain true, Utopianism may reappear in the future.

Success and Failure of American Utopian Communities ...

A utopia (/ju:'tɒpiə/ yoo-TOH-pee-ə) is an imagined community or society that possesses highly desirable or nearly perfect qualities for its citizens. The opposite of a utopia is a dystopia. One could also say that utopia is a perfect "place" that has been designed so there are no problems.

Utopia - Wikipedia

Origins of the Utopian Idea: The western idea of utopia originates in the ancient world, where legends of an earthly paradise lost to history (e.g. Eden in the Old Testament, the mythical Golden Age of Greek mythology), combined with the human desire to create, or recreate, an ideal society, helped form the utopian idea.

"Harriet Anderson's Utopian Feminism is both an essay and an encyclopaedia. The women she reveals to us are compatible by virtue of a common interest: the emancipation of women. Her book combines a survey of the theoretical positions espoused by feminists with detailed biographical portraits and descriptions of the social movements they took part in. . . .

Utopian Feminism | Yale University Press

The idea of utopia has evolved and taken many forms since Sir Thomas More coined the word in 1516. Originating with Greek philosophers, the concept has evolved into a distinctly Western notion relating to progress or improvement. This work selectively covers in an A-to-Z format utopian thought and movements globally from 1450 to the present.
